## *Many Thanks!*

Thank you for your support of the 4-H and FFA exhibitors in the Noble County Spring Livestock Show. The exhibitors look forward to showing all year long and it wouldn't be possible without the commitment from parents, grandparents, friends, neighbors and community businesses. Your continued support is vital to the success of our exhibitors!

4-H and FFA programs across Oklahoma play a vital role in teaching Oklahoma's youth practical and life skills. Showing livestock not only gives youth the opportunity to learn how to care for and raise show animals, but it also fosters responsibility, work ethic, social skills, sportsmanship, leadership and confidence.

Another positive aspect of raising and showing animals is that it can be a great activity to bring families and communities together. While carrying out the everyday activities of raising animals, sometimes we forget about the time we spend together building relationships and making memories that will last a lifetime.

So again, thank you for your support, not only this week, but all year long. You are not just supporting the local stockshow, you are supporting the personal growth and development of each of the exhibitors here and making an impact on the future leaders they will become!

## Nick Hughes

Most people know Nick Hughes as Noble County Commissioner, but before that he was just Nicky - a fun-loving friend to all with a curly head of hair.

Nick Hughes, son of Bily and Betty Hughes, Grandson of the late Jim and Maxine Hughes, was born and raised in Perry. He and his wife, Kristin, along with their sons, Wyatt, Lane and Cooper, live on their family farm southeast of Perry. Nick's love of the outdoors has become a way of life for their family. Together, Nick and Kristin are raising three country boys who love to fish, hunt,

explore, run cattle and operate equipment.

Nick is passionate about instilling the same principles he witnessed growing up with others. He sponsors many youth guided hunting and fishing trips for families and is very involved in youth sports. Teaching values of grit, teamwork, respect for nature and agriculture while providing opportunities for all are at the very root of all he does.

Nick serves on the Noble County Health Department Board, 911 Board, Fair Board, Oklahoma Local Technology Assistant Program, West Division Iron Man League President, Perry Kids, Inc., Perry Youth Football and Cheer, and is a volunteer firefighter for Sumner district. A servant leader with a knack for turning even the most serious moments into opportunities for laughter and connection, Nick has gained recognition for Noble County among County officials and organizations for the programs he has put in place to leverage resources and create progress.

Nick ran for Noble County Commissioner in 2021 with a single question in mind, "If not me than who?" He uses his talents of bringing people together, positively challenging the status quo and his never-ending commitment to better the community he loves to benefit all of Noble County.

## Jason Kienholz

Jason was born and raised west of Marland. He attended and graduated from Frontier High School in 1999. After high school, he established his homestead west of Marland and was employed at Ditch Witch for several years. In November of 2006, he went to work at Noble County District 1. He worked various positions there, bridge foreman, welder, and heavy equipment operator. In 2014, he decided to run for county commissioner and he was elected in 2015. He has served 10 years as the Noble County District 1 Commissioner and currently serves as chairman of the board.

He has been involved with many projects over the years, a new shop and office facility for district one, worked with the Fair Board to expand the Expo Center, helped with the bidding process, dirt work and building pad, Badlands road resurfacing, Billings blacktop project, chip and seal projects for the towns of Red Rock and Marland, Airport Road/

Fancy Dance Casino project, and negotiated road use agreement for three windfarms. Has built or replaced a total of 17 bridges across noble county, 5 of those bridges he worked with the BIA, Ponca and Otoe Tribes This is just a few projects he has been involved with. He is a true supporter of Noble County!

He serves on many local and state boards. He is Chairman of the Noble County Corrections Board, Vice President of the CED 8, Chairman of the Noble County E911 Board, and serves on the ACCO (Association of County Commissioners of Oklahoma) Board as District 8 representative. He served on the ACCO Legislative Committee 2020-2023, was one of five commissioner across the state to serve with State Auditor Byrd on the ARPA (American Rescue Plan Act) 2012-2022, is current CAB Board (County Advisory Board) Member of the CED 8 (Circuit Engineering District 8) member. He currently serves as a lieutenant with the Red Rock Rural Fire Department and he sponsors trophies for the Noble County Free Fair and Livestock Show.

He married Davina Bufford in 2002 and they currently reside west of Marland. Davi is employed at Charles Machine Works, her current title is Intellectual Property Manager. They have two children, Kadi who is a sophomore at NOC and Brennon who is a Senior at Perry High School.

## Gary May

Gary May was born and raised in Hominy, Oklahoma. Last year he attended his 50th class reunion. After graduation Gary worked in the oil fields. In 1983 he moved to Perry and established May Drilling Company, with his office located on the north side of the square. In 2019 he was elected District 2 County Commissioner to fill the 2 year unexpired term. He ran and won again in 2021 for a 4-year term and in 2025 he started his second 4-year term. As Commissioner District 2 he over sees the County Courthouse. In

2024 and 2025 used ARPA (American Rescue Plan Act) funds to repaint and repair the outside of the Courthouse. On the inside several offices are getting new paint and carpet. He monitors the beautiful lighted cross that shines for miles. He is very supportive of functions to be held in the courthouse lawn for Trick or Treat, 16th Celebration, Car Shows etc. and does whatever he can to help out making sure the lawns are picked up and clean before and after the events. During the fair and other busy times, he loans out his maintenance crew to help at the Fairgrounds and McGuire Cemetery. He is a member of CED (Current Engineering District 8) and ACCO (Association of County Commissioners of Oklahoma). As Commissioners it is their responsibility to over see large purchases, operating supplies, equipment, surplus, county budget and much more. Gary maintains an "Open Door" policy and does whatever he can to make a safe working environment.

He is very active in his church and is willing to help anyone who asks for help. He is on the NODA (Northern Oklahoma Development Authority) and Wheat Heart boards.

Gary has three grown children, Casey, Emilee and Todd and known as "Grandad" to his five grandchildren, Gatlin, Mila, Elis, Asa, and Margarit who he adores and pays special attention to.

**Please join us in thanking our Commissioners for their hard work and dedication to Noble County.**
